Kate -- surprisingly, Jeremiah has not been responding to calls and e-mails so we haven't moved forward. I'd be very happy to strategize on API meeting and do have some thoughts to share.

Bob

No pressure, but wanted you to know we are standing by re Pavillion next steps vis a vis State etc. No noise on this end. Also, later this or early next week I (with Howard) would like to talk briefly with you about the upcoming API technical mtng...thinking that a bit of strategy development might be useful. Still developing thoughts as we work (well) with ORD.

Thanks

Kate
